

Chilton Green Energy Foundation

Zero Carbon Action Plan Consultation

The Chilton Green Energy Foundation are developing a plan to help households in Chilton improve energy efficiency, reduce energy bills, increase the uptake of renewable energy grants for low carbon measures and improve the environment through enhanced green infrastructure.

Have your say! Please complete the questionnaire below and return to the Zero Carbon Chilton consultation post boxes at Chilton Primary School, Chilton and Windlestone Sports and Social Club, Town Council Offices and Chilton Library. **A raffle prize will be awarded to the first 10 questionnaires drawn from the boxes.**
